### Summer Combined Worship Schedule Begins May 27<sup>th</sup>

On May 27<sup>th</sup> we will begin having only one Sunday morning service at 10:00 a.m. We will continue to have only one Sunday morning service through Labor Day weekend. We will continue to have the Sunday evening 5:00 p.m. service throughout the summer.

## From the Pile on Fr. Kirk's Desk...

### Hospitality First

As you know, during Lent we received Holy Communion at standing stations at both the 9:00 a.m. and 11:00 a.m. worship services. During that time, I received positive feedback about this from people who attend each of these service times.

Those who commented about the 11:00 service liked it because it made receiving Communion during Lent different than normal and they said it enhanced their Lenten experience.

At the 9:00 service, I had positive feedback from some who had previously received Communion in their seat because they could not get up the step at all. There were others at the 9:00 service who liked it because they had trouble getting up and down the altar step which caused them anxiety. Receiving Communion at standing stations took away that anxiety which has made their experience more meaningful.

The idea of long-time Episcopalians experiencing anxiety while receiving Holy Communion troubled me, though I might understand it from someone who was new to receiving those sacred gifts. Holy Communion is something that for me has always taken away my anxious feelings, not added to them; experiencing Holy Communion should open our hearts to accepting God's grace and forgiveness.

At the end of the Eucharistic prayer we hold up the real presence of Christ contained within the consecrated bread and wine and we say, "The Gifts of God for the People of God. You are all welcome at Christ's table." When we say, "You are all welcome at Christ's table" it lets the

congregation know that everyone is equally invited to come and receive these precious gifts given to us by Christ. If we think about it, has it actually been an equal experience at our 9:00 service?

What does it say when we distribute Holy Communion in a place that is not accessible to everyone?

Over the last few weeks, I have surveyed the congregation the best I could asking for thoughts about how we receive Holy Communion. I talked with or received emails from approximately 80 people. Out of those 80 there were fewer than 5 people who wanted to continue to receive Holy Communion up around the altar. There were 8 who would prefer us to receive at the altar rail and about 25 preferred the two standing stations like we did during Lent. The rest voted for standing stations but didn't really have a preference other than saying the more inclusive the better.

Throughout this survey, what I heard over and over again was the importance of reverence, intimacy, and inclusivity. For some being around the altar was more intimate, while for others it was more intimate while at the standing stations or kneeling at the rail. For some receiving around the altar was more reverent, though for others reverence was more present while receiving at standing stations or kneeling. Reverence and intimacy are extremely important when receiving Holy Communion, but the overwhelming consensus from the congregation is that without inclusivity in the Eucharist, we are not being in communion and therefore Communion would not be Holy.

Jesus knew a lot about radical hospitality and so does St. Paul's. We will continue to receive Holy Communion at standing stations during the 9:00 a.m. service. During the 11:00 a.m. and the 5:00 p.m. services we will receive Holy

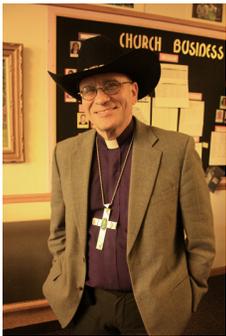

Communion at the altar rail, and I encourage those who prefer to stand at these services to come to the center where there is no rail. This will make it easier for you to receive the wine.

Thank you for your participation in giving me the feedback I needed to help in this decision.

Peace,

The Rev. Kirk Woodliff, Rector

## Bishop's Corner

One of the questions I hear most often is “how are we doing?” – meaning is the Episcopal Church growing, shrinking, or holding its own. There seems to be a vague perception that we are sliding downhill. I heard even before I came to Nevada -- and have

been hearing ever since -- that our membership numbers are stagnant and have been stagnant for a long time.

The best measure of vitality I know is “Average Sunday Attendance.” “Membership” is important but not a reliable number. Many members are actually long gone while many very active participants in the church are not members. “Communicants in good standing” is even more subjective. But how many people are actually there on Sunday tells us something. This year we do not yet have parochial reports from three of our parishes, so we have to take them out of the count. I can tell you that two of them (the larger two) are growing and the smaller one is stable. So what do the numbers say about how the Episcopal Church is faring in Nevada?

- Average Sunday Attendance in 2010 was **up by 8%** over the previous year.

- Average Sunday Attendance in 2011 was **up by 22%** over the previous year.

Possible interpretation: maybe we aren't quite dead yet. Maybe some of our parishes are doing a decent job of sharing the gospel in Nevada.

To interpret the numbers a little more, the dramatic increases are in congregations with Latino ministries. However, those are not the only congregations growing. Holy Trinity, Fallon; St. Paul's, Sparks; and Grace in the Desert, Las Vegas are three standout examples of growing congregations without ethnic ministry programs. They are not the only growing congregations, just the ones posting particularly encouraging attendance numbers. St. Martin's, Pahrump actually lost a little attendance this year due to an extraordinary run of health crises and deaths; but they are being featured in a documentary by the Congregational Vitality Office of the Episcopal Church as a model of a small church that is growing thanks to active community engagement and congregational development activities.

I have no strategy for church growth in Nevada. But it looks as if someone out there is up to something and God is blessing it.

## Senior Warden's Report

Happy Easter Season! I am enjoying the flowers and greening grass at my house this time of year. It revives me to see life come back to the many plants in the area. It was so pretty on Sparks Boulevard with the flowering

trees at Easter time.

I hope you all have the special events for May and June on your calendars. In May, we will have the Spring Fling presented by the Praise Team. In June, we are having the Bibby BBQ and the VooDoo Dogz concert. Look for announcements elsewhere in the Epistle and posted in the narthex.

I would like to thank Mel Rolfson and his crew for the new lighting in the music team area. The music teams are very appreciative!

We continue work toward fiscal responsibility as an organization through sustainability. Please refer to the Treasurer's report. Keep praying for our parish family as we work toward this goal. As Dick always says, it is never too late to make a pledge to the church. As I prepared my income taxes, I did a double check of my charitable giving to make sure I am in my targeted range.

We will be having summer potlucks this summer. I will have signup sheets posted a few weeks before the events. The dates are June 24, July 22 and August 26.

I will be attending the General Convention of the Episcopal Church in Indianapolis the first 2 weeks of July. If you have been following any of the national church issues and would like to discuss them please let me know.

Senior Warden

## Junior Warden's Report

Now that the warm weather is here, we are planning a "Work Day" on Saturday May 19<sup>th</sup> starting at 8am. Gene and I have turned on the irrigation water and the Memorial Garden fountain. Drip line in the Memorial Garden has been inspected and repaired as necessary. A signup sheet will be available in the Narthex soon

for you to choose your favorite project. Projects include the following:

- ❖ Repairing Pew Chairs
- ❖ Replacing Memorial Plaques on the Pew Chairs
- ❖ Trimming bushes and cleanup of the parking lot
- ❖ Cleaning the back classroom
- ❖ Cleaning & Repair of the Bird Preventors at both Narthex doors
- ❖ Cleaning the Kitchen
- ❖ Plus several other small jobs

Coffee and Donuts will be provided and with enough help we should be done by Noon.

Mel Rolfson and Gene Carse installed the new lights over the Choir and Praise Team last Saturday. Vestry approved the expenditure to be reimbursed with the sale of tickets to this years BibbyQ, which will be held this year on Sunday June 10<sup>th</sup>. Menu includes Deep Pit Beef, Beans, Salads and rolls. Last year the proceeds were used for the new flooring in the Hallway leading to the Parish Hall. Thanks to Mel and Gene for their installation help.

That's it for this month. Look for the "Work Day" sign up sheet and get your tickets for the Deep Pit BBQ later in May.

New Beginnings is a weekend retreat for junior high school students focusing on the 2 greatest commandments: loving God with all of our heart, mind, and strength, and loving our neighbors as ourselves. The retreat is led by a team of youth and adults from the diocese who help young teens explore the key relationships in their lives through games, activities, discussions, music, skits, and worship.

Developed in the Episcopal Diocese of Florida over 10 years ago, New Beginnings weekends have welcomed young teens in dioceses throughout the United States

## Mission Trip 2012 – Fort Defiance, Arizona

We are very excited to announce our 5<sup>th</sup> annual mission trip! All youth currently in grades 6<sup>th</sup> through 12<sup>th</sup> are invited to join us this summer as we travel to the Navajo Reservation in Fort Defiance, Arizona. The Navajo Nation encompasses 27,000 square miles and extends into the states of Utah, Arizona, and New Mexico. Sustaining a viable economy in current times had been challenging; the Navajo nation has a 50% unemployment rate, with 43% of individuals living below the poverty level. Our youth will join the staff of YouthWorks and youth from churches around the United States to serve in the communities of Window Rock and Fort Defiance in places like children's programs, elderly centers, housing rehabilitation projects and thrift stores for an exciting, exhausting, life-changing adventure! On our way home, we will also visit the Grand Canyon. Cost is \$350 per person. Please contact Rev. Kathy Hopner at 329-4279 for more information.

## Volunteers Needed for Fun!

In the last two or three years most of you have heard of St. Paul's doing fundraisers as a means to raise money for the general operation of the church. Heather Burkhart has graciously involved herself in organizing and

overseeing three events which have done well in the past showing that St. Paul's can and should pursue this method of supporting the parish ongoing financial needs. To increase the successfulness of this effort means we need to better organize and approach the effort in a professional way.

The pros of doing this are that it exposes St. Paul's to the community at large in a non-religious manner that allows people to become a little more familiar with our parish without feeling threatened. This also has the potential of bringing in new members. In addition it affords St. Paul's a method of generating operational funds to replace rental income we have lost over the last few years.

The cons are that this method of raising money in a professional manner is very labor intensive. Heather has been doing a terrific job at doing the bulk of organizational work required to make the last three events successful but it is now time for all of us to consider kicking in some time to help her in an organized fashion. The fund raising team will control and maximize the success of these events.

### The Team

- Team Leader 1
- Booking Agent 1
- Marketing Manager 1
- Ticket takers 2
- Lighting and sound 2
- Set up Crew 4
- Concession Crew 2
- Security Crew 4

In the interim, Heather has offered to be Team Leader and Booking Agent. Ken Stine and Gene Carse have agreed for now to take on the Marketing Manager job. Both will step away after a marketing program has been

established to make life simple for one individual to handle. The balance of the jobs, while not highly technical, are very important to running a successful event.

Lighting and sound is mostly just showing the entertainment where the plugs and switches are located. The concession stand will be non-alcoholic and manned for the duration of the shows. Specific instructions will be developed for each of the positions so there won't be any guesswork required. Best of all, if you are a volunteer working an event, we won't make you buy a ticket!

Some of the venues being considered:

**Speakers**  
**Jazz combos**  
**Barber Shop**  
**Choral Groups**  
**Chamber music**  
**Classical Guitar**  
**Christian Music**  
**Bluegrass**  
**Country**

Some in the Memorial Garden, some in the Parish Hall, and for special occasions, in the Worship Area.

Heather is currently looking at an event for June so we need to get this organized for her sooner rather than later. If you are interested please call Gene Carse at 233-8254, Heather Burkhart or Robin at the church office to volunteer.

## Summer Book Study

*The First Paul* by Marcus Borg

Begins Sunday, June 3<sup>rd</sup>

Check the bulletin board for times. If you want Fr. Kirk to order you a book, let him know. Books are \$10-\$14.

## Galilee Work Week

Hello all,

Our volunteer work week at Galilee will be the week right of June 11-15, 2012. We will start work Monday morning, after a breakfast for early arrivals. For those interested, please feel free to arrive on Sunday and stay the night. The week will end after lunch on Friday, the 15th.

The week is open to anyone - we will have work projects for all skill levels. There will be time for fellowship as well as work - the late afternoons and evenings have been wonderful times in the past for games and other activities. Meals from Monday breakfast through Friday lunch are provided - there is no cost for the overnights or for the meals. Feel free to come for the whole week or just an afternoon - the more involved the better. I will be sending out another e-mail in the coming weeks with more details.

Please let me know if you are interested in attending. We hope to see you in June. Thanks for your support of Galilee.
