DON'T BE LATE!!

From the Pile on Fr. Kirk's Desk...

Lent is now in full force...have you noticed?

Liturgically it is easy. The color purple is abundant and our crosses and the Christus Rex have been veiled.

We are beginning our corporate worship with the penitential order which brings our confession to the beginning of the service and to the forefront of our minds. We have packed away the Alleluia's during this time and the kneelers seem to be getting more use than normal.

Lent is now in full force...have you noticed?

If you are fortunate to have a job, odds are you haven't noticed much of Lent in the workplace. For the most part, the business world doesn't change at all and things seem to just keep going along as usual. In our personal lives we are called to a Lenten season of some pretty serious self evaluation which is to be followed by an honest response to what we've learned. What might the workplace be like if there were 40 days of intentional and honest soul searching built into the schedule and followed by apologies and forgiveness? Would it have any effect on the economy?

Lent is now in full force...have you noticed?

Our personal Lenten journeys should be noticeable; not to others, but to ourselves. We should be able to tell that it is Lent, and not just Lent but a Holy Lent. A Holy Lent is made up of "self-examination and repentance; by prayer, fasting, and self-denial; and by reading and meditating on God's Holy Word." (The Book of Common Prayer, page 265) The outcome of a

Holy Lent is that "those who, because of notorious sins, had been separated from the body of the faithful were reconciled by penitence and forgiveness, and restored to the fellowship of the Church." (The Book of Common Prayer, page 265)

What we have a tendency not to realize is that those who have been separated from the Church because of notorious sins are really ourselves; all of us. Our sins that have caused this separation may not be known to everyone, but they are known to us or will be revealed to us within these 40 days. The Church, that is the Body of Christ, has many parts. It is time to unite and heal each part of us in order for the Body to thrive and grow.

Lent is now in full force...have you noticed?

Peace,

The Rev. Kirk A. Woodliff
Rector and Notorious Sinner
(it almost sounds like a rapper name)

Bishop's Corner

I need to ask your help on a major project. This is what the business leadership folks call a BHAG – a Big Hairy Audacious Goal. Since it's my idea, that makes it a BBHAG – Bishop's Big Hairy Audacious Goal. But it's way too big for me to accomplish myself. So I am turning to you for help.

This came onto my radar screen through my work as a Commissioner on the Governor's Commission for Nevada Volunteers. We administer Ameri-Corps, VISTA, RSVP, etc. while promoting volunteer service in multiple forms through both faith-based and secular programs. There are two annual events for public awareness. Nevada has historically

rated 51st in the nation in hours of volunteer service. (Puerto Rico is included in the 51. They are ahead of us.) Last year we surged to number 50. The two events to promote volunteer service are the Governor's Points of Light Awards and the MLK Day – A Day On, Not A Day Off.

My BBHAG is for MLK Day. This year, I was working on a United Way NV Volunteers project around the corner from one of our largest churches. There were kids from high schools there as work groups. There were Starbucks baristas forming teams to serve their community. There were teams of bank tellers scraping and painting a community center. But there were no other Episcopalians.

It struck me that we do our work as groups in house or out in the world as individuals with the faith behind our actions all too invisible. Very few people ever see us as a recognizable group doing service in our communities. That was not true in the community where I previously served. Churches built Habitat Houses or participated as church groups in Rebuilding Together, rehabilitating the homes of low income seniors. It is social justice and evangelism together.

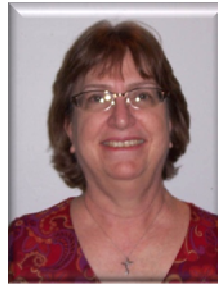

So here's my BBHAG: -- 300 EPISCOPALIANS WORKING ON SERVICE PROJECTS ON MLK DAY 2013 – WEARING OUR T-SHIRTS!!! The Diocese will supply the t shirts. If it's a cold day, you can wear them on the outside. "Let you light so shine that people may see your good works and glorify your Father who is in heaven."

I believe we can do this – but only if we can begin work early. In many communities, the projects already exist and I can get your parish lined up through NV volunteers. In a few places, we will have to create our own projects. But it takes planning and recruiting. If you are willing to help organize and recruit people to work on a service project (usually that means minor handy person tasks, scraping, painting, yard work – or cooking and serving a meal for the people doing the other work) would you let your deacon or priest know – or let me know dan@episopalnevada.org.

This is an opportunity to serve God's mission in two ways: justice and evangelism. I hope to hear from you.

+Bishop Dan

Senior Warden's Report

Time just flies by even though I had an extra day in February!

There are lots of events going on during Lent. Please consider joining in those that interest you!

Dan and I are busy planning the St. Patrick's Day dinner. We encourage you to buy tickets so we have enough food on hand. I don't want to run out of food but it isn't good to have left over's either! We are also recruiting others to help with the event. Please see the sign-up sheet in the Narthex.

The Vestry had a retreat on February 25th to develop the annual plan for the year. We promise to keep you all informed of our activities on a regular basis. Please be sure to review the financial statements that are posted near the office. If you are interested, you may attend any Vestry meeting. The meetings are held on the first Monday of the month beginning at 6 pm. If you have an agenda item, please contact me or Fr. Kirk prior to the meeting.

Junior Warden's Report

Thank you to all who helped put away the banners for Lent. They will go back up the Saturday before Easter, so I hope to see you again!

Monthly Receipt Summary

With the arrival of a new year, we have a corrected number for our weekly and monthly expectations from pledge and plate offering. We should average \$3,891.03 per week to meet what was offered in the annual budget. The following table shows the weekly receipts from pledge and plate offerings for this period:

5-Feb	\$4,485.00	12-Feb	\$12,724.53
19-Feb	\$2,586.75	26-Feb	\$3,954.50
Monthly Total			\$23,750.78

For the 4 weeks reported here, we exceeded our goal by \$8,186.66. A part of this excess has been dedicated to meeting our 2013 needs. In January we exceeded the goal by \$3,075.49 so we are ahead by total of \$11,261.78. We have been truly blessed. The additional gifts will be a great help in creating a sustainable budget for our future.

The monthly treasurer's report contains more detail and is posted in the narthex, or you can direct your questions to any Vestry member, Dick Stufflebeam, or Patti Stine. (Email: dick@stpaulssparks.org) or contact the parish office at 775-358-4474.

Episcopal Youth Community News

As we enter the quiet season of Lent we will learn more about Jesus from Biblical stories which describe the kingdom of God. These stories are generally grouped into three categories: healing stories, parables and miracle stories, and are framed in the context of Jesus' interactions with others. This month we will also explore the Easter story as we look forward to Easter Sunday. We will learn about the following this month:

- March 4th – Please join us for our Family Service.
- March 11th – The Parable of the Sower
- March 18th – The Greatest Commandment
- March 25th – The Faces of Easter

Baptism

Much has changed in the way we view baptism over the last 50 years. It used to be something we had “done” for our children when they were babies. When we held a baptism, it was often done privately with just the family present – not as a part of the Sunday service. Our thoughts and even our theology of baptism have changed, perhaps because we live more and more in a secular world. We now understand it as the focal point of our life long journey with God.

In baptism we are named as God's beloved child, and marked as Christ's own forever. We are claimed by a love that never lets us go. Baptism forms our identity – we learn who we are and whose we are as we journey both individually and corporately as members of a faith community. We celebrate baptism together as a congregation, recognizing God's grace and promising to support one another as we grow in the mystery of God's love.

Some people have said to me that they want to wait to introduce their child into a faith community – wait until their child is old enough to make their own choices. Just as it's easier to begin a journey with a map, it's much easier to make your own choices if you have roots, if you have a point from which to start the journey. Although we hold baptisms throughout the church year, there are some days the church has particularly designated. Two of these, Easter and Pentecost, are coming soon. If you have been thinking about baptism for yourself or your child, and would like to talk about this, please contact one of the clergy at 358-4474 for more information.

Easter Eggs Needed!

We need Easter Eggs for our Easter Egg Hunt after the 9:00 service on Sunday, April 8th!

Please bring 10 – 12 plastic eggs filled with a piece of candy to church on Sundays before Easter, or drop them off at the church office. (We have some bags of empty eggs in the narthex – you are welcome to take a bag of eggs and bring them back filled.) If you'd like to “recycle” your plastic eggs after Easter – bring them to church and we'll use them next year.

Mission Trip 2012 – Fort Defiance, Arizona

We are very excited to announce our 5th annual mission trip! All youth currently in grades 6th through 12th are invited to join us this summer as we travel to the Navajo Reservation in Fort Defiance, Arizona. The Navajo Nation encompasses 27,000 square miles and extends into the states of Utah, Arizona, and New Mexico. Sustaining a viable economy in current times had been challenging; the Navajo nation has a 50% unemployment rate, with 43% of individuals living below the poverty level. Our youth will join the staff of YouthWorks and youth from churches around the United States to serve in the communities of Window Rock and Fort Defiance in places like children's programs, elderly centers, housing rehabilitation projects and thrift stores for an exciting, exhausting, life-changing adventure! On our way home, we will also visit the Grand Canyon. Cost is \$350 per person. Please contact Rev. Kathy Hopner at 358-4474 or 329-4279 for more information.

Safeguarding God's Children

Safeguarding God's Children is a program developed by the Episcopal Church to provide participants with the information they need to protect the children they care for in their personal lives, and in the ministries in which they serve from sexual abuse. Safeguarding training is required every three years for all

church staff, Vestry members, Eucharistic Visitors, and anyone who works with children. The training informs participants of the ways predators gain access to and groom children for abuse and it outlines the safeguards the Church has put in place to protect children and youth in our churches, schools and diocesan institutions.

We will offer the following training at St. Paul's: Saturday, March 3rd at 9:00 a.m.

We will offer the following training at Trinity: Saturday, Feb. 25th at 9:00 a.m. in the library
Special session for parents: Sunday, Feb. 26th at 10:30 a.m. (following the 9:00 a.m. service) in the library.

Eco-palians News

Take a few minutes and look at the new bulletin board in the Narthex. You'll see the certificate saying we are a "cool congregation". The notebook on the table with the bulletin board has many tips on recycling, fair trade, making your home green, and lots more; It also tells why we want to take care of God's creation. Be sure to watch for more action and, as always, if you would like to help just let us know.

"The Hill Gang"

The "Hill Gang" is an informally structured men's fellowship group open to all male members of St. Paul's Episcopal Church. The name "Hill Gang" is a reference to the fact that some men at St. Paul's are just beginning to climb the hill of life, some are at the peak, and some are descending the hill. The "Hill Gang" holds "once-in-a-while" quarterly meetings.

The next meeting of the "Hill Gang" will be Wednesday evening, ***March 21st**, 2012 at

6:00 p.m. at Boulevard Pizza, 1076 North Rock Boulevard in Sparks. *(This date might change due to a scheduling conflict, so keep your ears open during announcements or get in touch with Steve) The meeting agenda is to have fellowship, eat, drink, lie and brag for about an hour and a half and then skittle on over to the Sparks Cinema Theater to view a thrilling, soul-stirring class "B" movie. You know, something along the lines of an action/adventure film that your wife, girl friend, or significant other would probably not want to see. The meeting will conclude after all popcorn, candy bars, and soft drinks have been consumed.

For more information, please contact Steve Smith at 626-3307.

Women's Lenten Study and Day of Reflection

On March 10th, in the Parish Hall from 9:00 A.M. until 2 P.M. the Daughters of the King are sponsoring a day of prayer, scripture study, meditation, fellowship, and a soup lunch. This event will close with Holy Eucharist at 1:30 p.m. Those who attend will have the opportunity to learn about the history of Anglican Prayer Beads and make a set for yourselves.
